THE GARY PLUMERY GOLF TOURNAMENT

The Gary Plumery Foundation was established in 2000 as a non-profit organization for individuals with developmental disabilities. Our mission is to improve the quality of life for local individuals with developmental disabilities by

providing them with the opportunity to attend sporting and social events.

Anyone who knew Gary knew how much he loved going to Rockies' games, watching the Broncos, bowling and dancing. The Foundation's goal is to take as many individuals with special needs as possible to these types of events.

The following is a poem written by participants in Developmental Pathways Activities Services program that describes how your participation in this tournament will benefit people with disabilities.

Because you do what you do
I can go on a hike, pitch a tent and catch a fish

Because you give what you give
I can learn about art, animals, science and nature

Because you are who you are
I can ride a dogsled in the mountains,
and bowl at the alley

Because you feel what I feel
I can play games, sing and dance with my friends

Because you see what a great person I can be
I can continue to grow and do important things

Because of you
I can be me.

Schedule of Events

Please join us on **Monday, June 10, 2019**
